53 Regional Drive, Suite 1 | Concord, NH 03301

It is the purpose of the New Hampshire Excellence in Education Awards Program to recognize New Hampshire schools and individuals who meet high standards of excellence. The criteria used in selecting outstanding individuals to be honored is determined by its sponsoring organizations.

The awards for the outstanding elementary, middle, and secondary schools are determined by criteria developed by the New Hampshire Excellence in Education Awards' Board of Directors and applied by selection committees composed of experienced New Hampshire educators and community leaders. The committees study school applications and assess schools through on-site visitations. Winners at each of the three levels will be recognized each year, assuming applicants are of sufficient merit. The selection committees determine which schools deserve recognition as schools of excellence and the winners are celebrated at the annual New Hampshire Excellence in Education Awards Celebration.

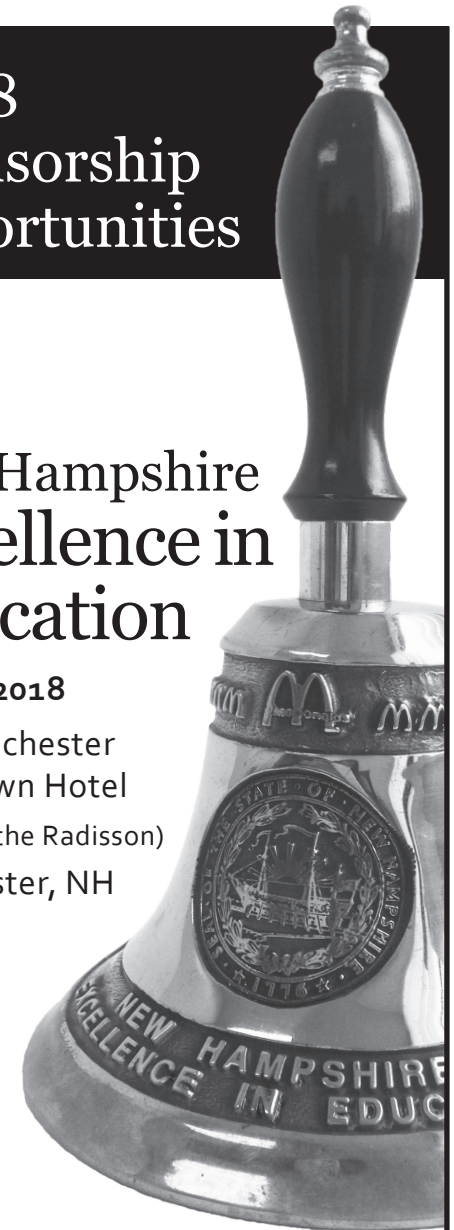

This year, the EDies is celebrating 25 years of excellence in education! Please join us in showing support of those who strive to bring excellence and innovation to education.

The NH Excellence in Education Awards is a 501(c)(3) organization.
