## *About*

The NH Excellence in Education Awards Middle School of Excellence Selection Committee is honored to announce Merrimack Valley Middle School in Penacook, NH as the 2023 NH Middle School of Excellence. Students come first at MVMS. Students have a choice in their academic day through rigorous, student-centered, and engaging exploratory classes that they are able to choose four times a year. Focused on experiences, these classes develop positive relationships with fellow peers and teachers. MVMS has strong systems in place that show evidence that all constituents are consistently applying their mission to their decision making process. At the heart of this are the students, who showed they are intrinsically engaged in their learning. Teachers and students are empowered to show their pride in and out of the school community. These are just some of the reasons MVMS is this year's Middle School of Excellence.
