## *About*

The EDies Secondary School Selection Team has chosen Pembroke Academy as the recipient of the 2023 NH Secondary School of Excellence. Students are able to clearly articulate their learning, reflect on their work, and reassess when necessary. Teachers design meaningful opportunities for students to demonstrate learning and provide consistent feedback about student progress toward achieving competency. PA has an engaging assessment system which allows students to demonstrate mastery of skills and knowledge in relevant and authentic ways. In addition to reporting on academic performance, Pembroke Academy students are held accountable for growth in the Vision of a Graduate Indicators. They have consistent leadership, a dedicated and skilled staff and a supportive community, which has enabled Pembroke Academy to be responsive to the needs of their students.
