## *About*

Susan Caswell was commended for her many years of service to NHASBO, with distinction, as a member of the Executive Committee in the elected positions of Secretary, Vice President, President, and Past President, and many volunteer committee positions.

Susan was commended for her work serving the Oyster River Cooperative School District for over a decade with distinction, understanding the entire Business and Finance operation existed to maximize student learning by ensuring that students were the center of decision-making.

Susan was also commended for her service as a quiet, yet powerful role model and mentor, and especially for the growth of women serving in leadership positions in New Hampshire's public schools.
