About

Peg Dawson, Ed.D., NCSP, has worked as a school psychologist for 16 years in Maine and NH, and for over 30 years privately specializing in the assessment of children and adults with learning and attention disorders. Dr. Dawson was a founding member of NHASP and served as its second president. She is past president of NASP and IASP. She is the 2006 recipient of NASP's Lifetime Achievement Award and a 2010 recipient of IASP's Distinguished Services Award. She is a prolific author, presenter, and instructor in executive skills and has had an inspiring impact on the field of school psychology.
