## *About*

The New Hampshire Society for Technology in Education (NHSTE) is pleased to present the 2022 NHSTE Susan Janosz Technology Impact Award to Dr. Helfried Zrzavy, Technology Integration Specialist at ConVal Regional High School - SAU 1 in Peterborough. Helfried's expertise in technology is valued and sought out by district staff, students, administrators, parents, and community members. He has demonstrated his commitment to advancing emerging technology in his district, playing a critical role in the district's 1:1 Chromebook and blended learning rollout and supporting staff and students during the pandemic. Over the past twenty years, he has served at the elementary, middle, and high school levels to advocate for and support technology integration for all learners.
