About

Michelle Clark of Hopkinton School District is the 2024 recipient of the Alexander J. Blastos Distinguished Service Award, presented by the NH Association of School Business Officials (NHASBO). Her exemplary service to NHASBO includes various leadership roles on the Executive Committee and significant contributions across key committees. Michelle is particularly celebrated for her outstanding leadership of the Facilities Conference Committee for the past 16 years. Under her guidance, the Northern New England Facility Masters Conference has grown to become one of NHASBO's most vital professional development events. Furthermore, Michelle's strategic vision and ability to forge meaningful connections have been instrumental in the creation of innovative educational programs, most notably the establishment of the Facility and Business Administrator Certificate programs, which were developed through a strategic partnership with Texas ASBO.
